Step 3: Phone Script for U.S.:

My name is <Name> and I would like my representative to condemn in the strongest terms the genocide being committed against Amharas by Prime Minister Abiy Ahmed's regime, the Oromo Special Forces, and the Oromo Liberation Army in Ethiopia. In November alone, over 200 Amhara civilians have been killed and nearly 100,000 displaced. On November 29th, the Oromo Special Forces murdered nearly 100 Amharas that were detained by government security forces. The attacks by both Oromo Special Forces and Oromo Liberation Army are ongoing now with women, children, and elderly trapped and unable to flee. I am asking my representative to issue a statement condemning the atrocities by Ethiopian security forces including the Oromo Special Forces and Oromo Liberation Army, demand State Department hold perpetrators accountable, and stand on the side of innocent victims.

Please **call EVERYDAY** and share the script with family and friends!!!!
